Sir:

RESPONSE TO OFFICE ACTION

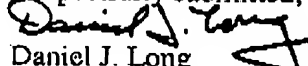

In response to Office Action of September 2, 2004, reconsideration is respectfully requested.

The above captioned application stands rejected under 35USC101 based on an alleged double patenting of the "same invention" as is claimed in claims 1 – 20 of copending Application No. 10/334,317.

The applicant has amended and cancelled the claims of Application No. 10/334,317 so that they are no longer coextensive in scope with any of the claims of the above captioned application.

It is believed that the application is now in condition for allowance. If the examiner believes that any matters are still at issue, she is requested to contact applicant's undersigned attorney.

Respectfully submitted,

Daniel J. Long
